## Thanks to our sponsor

A huge thanks to our sponsor, **Exclusive Books**.

The cash prizes and book voucher prizes for the regional heats and the cash and book prizes for the national finals, really fulfilled the vision that Wayne Mills, founder of the quiz had – to reward good readers.

## Quizmaster: Wayne Mills

It is a huge challenge for Wayne to have unseen categories in the regional heats each year, and to stay on top of new fiction.

I want to pay tribute to what this quiz has meant to school libraries and reading in SA:

- The library stock of participating schools has broadened.
- Pupils are encouraged to read beyond their favourite genre and author.
- Most of all, readers feel recognised and a sense of being part of a broader group of bibliophiles who understand the joy of reading.

## The National Finals!

After a nail-biting final, the winners were St John's with 26 points, Heronbridge with 23 points and Manor Gardens 2 with 21 points. Themes for this final included Sidekicks, Authors, Novel openings, Titles and Characters in literature. This all-boy, winning SA team is now preparing to take on the winners of the international heats in Great Britain, Australia, New Zealand, Singapore, Canada, USA, and Hong Kong in Toronto, in July.

Second Place: Heronbridge

Third Place: Manor Gardens 2
